Trimester Project Awards

Business

The Business Area of Opportunity encompasses any business orientated training or projects that contribute to the economic prosperity for members and the community. Projects with 51% or more of proceeds going to the chapter are included in this category. PR and marketing events are also included in this category.

Individual Development

This area provides an opportunity for individual members to realize their personal potential. Learning a new skill, teaching a new skill. Developing yourself intentionally. It could be something unique, essential, practical, useful, fun, or a variety of other things.

Community

The Community Area of Opportunity embodies the line of the Jaycee creed "Service to humanity is the best work of life." Was the impact significant? Did it create positive change? Did it enhance the community? Projects where 51% or more of the proceeds go back to the community are included in this category.

Membership

Membership is the heartbeat of our organization. Membership consists of recruitment, retention, and activation. The Membership Project of the trimester has gone above and beyond to attract new members, activate rookie members, or engage membership.

International

The International Area provides an opportunity for individual members to contribute to the development of goodwill, understanding and cooperation among all peoples. This area also includes participation in State Initiatives (including Camp New Hope and Mental Health) and National Initiatives (United to Beat Malaria).

Mission Vision Creed

Mission

To provide leadership development opportunities that empower young people to create positive change.

Vision

To be the leading global network of young active citizens.

Creed

We Believe, that faith in God gives meaning and purpose to human life. That the brotherhood of man transcends the Sovereignty of Nations. That economic justice can best be won by free men through free enterprise. That government should be of laws rather than of men. That Earths great treasure lies in human personality. And that service to humanity is the best work of life!
